

ST CATHERINE'S HOSPICE

A fantastic opportunity to be a Trustee at a brilliant local charity during an exciting time of change

St Catherine's Vision: A world where everyone can face death supported, informed and pain free.

For over 35 years, St Catherine's Hospice has offered expert physical and emotional care to terminally ill local people and their families. Every year, we care for around 2,100 people, which is only possible thanks to the generosity and support of our amazing community. We are incredibly proud of this, but we know there is much more to do.

We are an organisation with huge ambitions. To achieve these we need to continue to grow our income, attract and retain the best people and expand our critical services. We will be relocating to a brand-new hospice in 2023 and our transition to the new building will be paramount in ensuring we bring the heart of what we do with us.

No experience of hospice care is required and you do not have to have held a trustee role previously. You will use your skills and experience gained from other sectors or roles, along with energy and enthusiasm, to guide the charity through exciting times. You will secure the governance of the organisation, contribute to our strategic future and act as an ambassador for all aspects of our work.

We are looking for people to join our volunteer Board of Trustees to help lead the way. We believe our staff and volunteers should represent the community we work in and as such we welcome applications from people from diverse backgrounds, including disabled candidates, Black, Asian and minority ethnic (BAME) candidates, LGBTQ+ as well as non-binary candidates and those who have experienced mental health problems.

We would particularly welcome experience in clinical/medical roles, but this is not essential. Our Trustees come from a broad range of backgrounds and experience. We offer a tailored induction, the opportunity to learn new skills and the satisfaction that you are helping people in your local community when they need it most.

If you would like to know more, please visit <https://www.stch.org.uk/trustee-recruitment/> where you will be able to meet some of our SMT and Trustees, who will share some information about their roles and being a Trustee with St Catherine's Hospice.

If you would like to apply please contact Peter Nesbitt, emailing volunteering@stch.org.uk or by phoning 01293 447 351, 8.30am - 5pm Monday to Friday (excl. Bank Holidays) for an application pack. Peter would be happy to talk with you if you have any questions about the role.

Our **extended** closing date for receipt of completed application forms will be **Monday 07 February 2022 at 12:00 noon**.

Applicants must be available to attend our selection day being held on Tuesday 08 March 2022.

This role is subject to Enhanced with Adult Barred DBS check.

Registered charity no. 281362
